ABOUT ME

I am equipped with my communication and problem-solving skills and motivated in leadership and teamwork. Being successful in my human relations, combined with my time management and organizational skills, enables me to successfully perform complex tasks in ship operations. My ability to collaborate effectively with the crew and ensure the ship's crew works harmoniously highlights the power of collaboration and communication. I have a stable and result-oriented working principle, prioritizing safety and efficiency. With these qualifications, I aim to take a successful step in my maritime career by contributing to the ship crew.
