

YAĞMUR ÇELENK

WATCHKEEPING OFFICER / OOW

PROFESSIONAL STATEMENT

- While pursuing my long-term education, I worked as a deck intern in the marine industry. Thanks to my experience on various types of ships, I learned how to successfully manage operational operations and make quick and precise judgments under complicated sea circumstances. I prioritize compliance with international marine standards by attentively carrying out all obligations, from crew management to safety measures. On each journey, I make every effort to maximize collaborative effectiveness by maintaining open lines of communication with the crew. My goal is to maintain the greatest degree of maritime safety by showcasing my leadership abilities in difficult situations
- I prioritize compliance with international marine standards by attentively carrying out all obligations, from crew management to safety measures. On each journey, I make every effort to maximize collaborative effectiveness by maintaining open lines of communication with the crew. My goal is to maintain the greatest degree of maritime safety by showcasing my leadership abilities in difficult situations. Thanks to my technical skills, I prioritize ensuring the safety of the ship's navigation by employing contemporary navigation systems and management methods. I stay up to date on industry advancements and look for unique solutions. With my capacity to solve difficulties quickly and effectively, I make it a priority to complete every maritime cruise safely and smoothly.
