

## PROFILE

A highly motivated and experienced maritime professional with a proven track record in vessel operations, safety procedures, and cargo handling. Possessing strong moral principles, I am committed to upholding the highest standards of honesty and integrity while contributing to the achievement of organizational objectives. Proficient in docking, undocking, anchor handling, and navigation within port channels, I am eager to advance my career as a ship's officer. I am a quick learner, adaptable to diverse environments, and possess a proactive approach to problem-solving. My training in fire safety and equipment handling further enhances my ability to contribute to a safe and efficient working environment.
