

İSMET MERT ÖZMET

I was born on 06/01/2000 in İstanbul. Firs of all, I worked in boat building with my father. Then I started working on yachts. Then I boarded the ship to fulfill my goals and i work 2nd.Off. Ass, I'm constantly trying to figure out how I can be more successful in this job. I will always work on how i can take myself further in this profession because I am very curious about this job.
