About Me

Dear Personnel Manager, Along with greeting you, I am contacting you to inform you that I am looking for a new position according to my highly qualified profile as a Deck Officer in the positions of Captain, Navigation Officer and finally as Support Officer for Bridge Navigation Officers (AB) until I meet the professional profile sought by you and support being part of the crews of your ships, I send my application waiting for your consideration regarding any of the following positions: • Captain of any type of vessel up to 2,000 Gross Tonnage, in navigation close the coast. • Captain and Tugboat Off Shore. • First Deck Officer in any type of vessel up to 3,000 Gross Tonnage, on routes near the coast. • Navigation Watch Officer in all types of ships without limitation of Gross Tonnage in routes near the coast • First Class Seaman (AB), Navigation Bridge Surveillance, Crean Operator, Quantity Surveyor. I am a 52-year-old Chilean citizen and as described in my attached resume, I have performed a diversified list of tasks and responsibilities both in various maritime and shipping companies and in official Chilean institutions, such as the Military Navy, which in This effect meant a great opportunity to acquire and improve many valuable skills and abilities related to labor discipline, interpersonal communication, respect for procedures and order, physical preparation, technical instruction, etc., perfectly applicable to any environment and labor organization. In addition, my constant academic and personal development through various training programs and work experiences can be considered as another valuable contribution to an organization that requires highly trained, disciplined and adaptable professionals to fill demanding positions. If you feel that my life experience can be successfully applied to the current needs of any of your departments on board, please feel free to contact me anytime in the coming days or weeks. I currently perform duties as Captain in a 1,992 Gross Tonnage ship of Naviera Patagonia Wellboat, dedicated to the transfer of live salmon from Farming Centers in the southern zone of Chile to ports and processing plants in different ports such as Puerto Montt, Puerto Natales and Punta Arenas. , for which I am in constant training. Thanking you in advance for your time and deference, and looking forward to our eventual meeting, Cordially, Waldo Romeo Canto Mora
