

I am a hardworking, executive, and sociable professional with extensive experience in tanker fleet operations, specializing in Crude Oil and Chemical products. I have hands-on experience in Ship-to-Ship (STS) operations and have worked with diverse international crews, including Greek, Iranian, Indian, Filipino, Georgian, and Chinese colleagues.

I have operated Framo and Marflex Cargo Pumping Systems for handling various cargoes, including CPP: Gasoline, Jet, Gasoil, Naphta; Crude Palm Oil, Sunflower Oil, Fuel Oil, Methanol, and industrial acids.

I possess strong knowledge of ECDIS systems such as TRANSAS, JRC, ChartWorldeGlobe, and Navmaster.

My proficiency in English is solid, facilitating effective communication in a multinational environment. I hold a degree from Odessa Maritime Academy (Ukraine), graduating in 2021. I am committed to safety, efficiency, and teamwork in all my maritime duties.
