

IDRIS MATHENGE
POSITION APPLYING : OILER
AVAILABILITY : READY TO JOIN

NEAREST AIRPORT : MOI INTERNATIONAL AIRPORT

I am a dedicated and skilled Oiler with hands-on experience in machinery lubrication, preventive maintenance, and engine room operations. I have served onboard MWOKOZI II IMO NO. 9911563 for 13 months where i gained experience in lubrication procedures, oil system monitoring, and assisting in the maintenance of engines, compressors, and pumps. With a strong work ethic, excellent technical skills, and a strong understanding of maritime safety procedures and how crucial it is to ensure everything is functioning at its best, both for the ship's operation and crew safety, I am eager to contribute my expertise to your company.

WORK EXPERIENCE

ENGINE CADET

July 2024 - December 2024

- Learnt about the operations and maintenance of main and auxiliary engines
- Obtained skills in maintenance and repair of pumps, compressors and purifiers
- Assisted in recording engine parameters and monitoring machinery operations
- Assisted in troubleshooting of generators, compressors and pumps on board
- Conducted routine checks and lubrication of machinery to prevent their breakdown, wear and tear
- Gained knowledge in fuel handling, bunkering procedures and lubrication systems
- Conducted preventive maintenance and overhaul of machinery onboard

ENGINE CADET

September 2023 - April 2024

- Familiarized myself engine room safety protocols and fire fighting equipment
- Got exposed to different types of machines with different operations and material used
- Acquired skills on workshop tools and machining
- Physically did some valve/seat grinding, removal and replacement of piston rings
- Exposed to fabrication work of various items such as buoys and slipway carriages
- Assisted in charging of battery and Testing of starters
- Learnt how to start Main diesel Engine
