Chief Engineer All Ships (no limitations)

To whom it may concern :

My name is Sefrey Comenentia , 43 years old and living in Curacao .

I used to work for many , many company's first permanent and now via agency' freelancer and there for a lot of experience on different kind of vessels.

Most of these vessels are Tugs or AHTS (ASD,Conventional) Also Multi propose vessel .

I'm flexible with working hours and you can call me 24/7 if you need a Chief engineer .

(Suitcase ready packed)

Herewith a summary of my experience from the past 15! years :

2017 finished the seafarer school at Curacao in combination with De ruytet institud Vlissingen all that time working 13 years by Curacao Towage Company (KTK) started as AB than second engineer on ASD , Conventional Tugs and became Chief engineer .

2020 Due to the Oil crisis on Venezuela the company have no choice to mantaine my on job because the rule last in first out and I was forced to look for another job .

2020 – till now worked for Koole Constructor on the multi porpuse vessel Koole 74 .
