

# FARUK BAŞAK

I am a naval officer who retired from the Navy in April 2023 with the rank of Lieutenant Colonel. I worked as Chief Engineer, 2nd Engineer and other mechanic engineers on the Frigates of our Navy for nearly 16 years.

As of now, I have received my Oceangoing Chief Engineer license (Wallet No: S00396581).

I worked as Second Engineer on M/V Ince Inebolu and subsequently as Chief Engineer on Ince Bosphorus Panamax ship belonging to Ince Shipping,

C/E on M/V Greener and M/V Er Maden belonging to Er Shipping

I have a Green Passport and speak English well.

I present to your esteemed company that I would like to sign a contract as a Chief Engineer.
