**About Me**

I have experience in mixed crew. I also have a US C1/D visa. I am looking any type of vessels, I looking for AB position but also can work like OS, i have experience work like fireman in Cruise ship. And as a lonely watchman , I was alone on the ship in one contract. My native languages are Bulgarian and Russian, but I also speak Ukrainian, English and a little Polish. There is experience in lashing containers and measuring the temperature on the reefers. As well as turning them on and off in the power. There is little experience on cranes, but the last contracts did not have to work with them. Have a nice day everyone, I am always open. I discuss interesting job offers!
