(2034-04-25)**About Me**

With a solid background in Second Engineer I am confident in my ability to make a meaningful contribution to the continued success of your operations. Throughout my career since 2013 onboard of tanker vessels, I have demonstrated a deep commitment to safety, operational excellence, and effective teamwork. I thrive in challenging conditions and diverse, multicultural environments, always adapting to new situations with professionalism and dedication. I possess strong problem-solving skills, excellent communication abilities, and a comprehensive understanding of maritime regulations and safety procedures. My experience has also taught me the importance of attention to detail, reliability, and resilience, all of which are key qualities in the maritime industry. I have experience working at dry dock. Mix crew experience with nationalities : Vietnam, India, Peru, Philippines, Bangladesh, Ethiopia, Poland, Indonesian. I believe my values and skills align well with your organization's goals, and I would be honored to contribute to your continued success. I would greatly appreciate the opportunity to discuss how my experience and qualifications can benefit your team. Flag documents: Republic of the Marshall Islands Exp.
