Professional Summary

Experienced Master Mariner with a solid background in managing mix crew operations on various vessel types including general cargo, container vessels, DP vessels, Heavy Lift, Semi-submersible, and Ro-Ro. Proven expertise in handling a wide range of cargo types: heavy cargo, bulk, wheat, containers, grain, project cargo, and deck cargo. Skilled in operating cranes up to 350 tons and familiar with various hatch cover systems such as pontoon, hydraulic, and chain systems.

I possess in-depth knowledge in Azimuth propeller operations, and I have extensive experience in trim and stability calculations, both manually and using dedicated software. I have successfully navigated in challenging regions including the Baltic Sea, North Sea, Mediterranean Sea, Black Sea, Africa, the Atlantic Ocean, Caribbean Sea, Mexican Gulf, and Gulf of St. Lawrence.

Fluent in English (both spoken and written), I also possess strong welding skills and have worked on several dry dock projects. I hold a biometric passport and a valid USA visa, and I am open to considering new and exciting opportunities.
