Notes

PROFESSIONAL SUMMARY With a successful career spanning 36 years at sea and 23 years as a Master, I have consistently performed my duties to ensure the safe and efficient navigation of vessels, onboard safety and security procedures, ship maintenance tasks, environmental protection implementation, and crew performance control. Over the years, I have successfully navigated vessels in various ocean and coastal waters of the Atlantic, Pacific, Caribbean, Gulf of Mexico, Mediterranean, and deep waters of other trade zones. During my sea service, I have gained skills in managing and safely operating RORO, PCTC, RO-PAX Ferries, Feeder containers, Multi-purpose Bulk Carriers, and Dry Cargo Ships. Based on my wide variety of experience from the above sort of ships, I might be the right candidate to hold a Master's position on board your good Company ships. A few years ago, I successfully conducted SAR operations and rescued three people onboard one French-flagged pleasure craft off the coast of Martinique. I have good business communication skills in English, practical and effective email writing skills, and good spoken and written English. MY STRENGTH AS MASTER • Pilotless and tug-free vessel navigating and maneuvering in a port, river, or channels • Expert in Vectwin Two-Rudder System steering • Representation of the Owner on board, focusing on communication between vessel and shore management. • Ability to provide customers and key stakeholders with high-level service and performance • Implementation and maintaining a strong safety culture on board the vessels • Operation of the vessels following Company and legal requirements regarding safety standards and operational criteria. • Reviewing ship performance against customer requirements. • To conduct Internal ISM and ISPS audits on board vessels and review shipboard mandatory and contingency plans. • Overall responsibility for keeping vessel maintained to Company and Owner's standard. • Promotion of effective shipboard management functions on board between all departments. • Delivering high vessel budgetary performance. • Motivation and challenging co-workers SKILLS SUMMARY • Navigation • Pilotage • Maritime Law • Ship maintenance • Radio operation • Communication • Teamwork • Problem-Solving • Decision-Making • Organization • Strong leadership • Excellent customer service • HSE awareness • Safe Practices • Security measurements • Motivation • Inspections • Budget and cost control VOYAGES AND TRADING AREA EXPERIENCE • EU ports • US East Coast and Latin America ports • Caribbean and West Indies Islands • South African ports • Black Sea ports • South American ports • Persian Gulf ports • Mediterranean Sea • Caribbean Sea • North Sea and English Channel • North and South Atlantic Oceans • Pacific Ocean • Indian Ocean • Mexican Gulf, etc. VESSEL MANAGEMENT AND OTHER EXPERIENCE • LSA, FFE, SOPEP, BASNET, AMOS, TM MASTER 2, WATCHKEEPER, ORB, WATER BALLAST MANAGEMENT, GARBAGE MANAGEMENT, SEEMP, NTVRP, VGP, GMDSS, VDR, SEAGAL, PPE, EMERGENCY PREPARADNESS AND TRAINING – EXPERT.
