**Profile:** Work for few years in multinational environment. For 2009-2011 years work on shore based repair workshop in Baku in motorman position on vessels under repair. Main responsibility was to keep watch on repair vessels and maintain safe operation during night time. Later joined world famous company Schlumberger(Caspian Geophysical/Western Geco) , Swire Pacific Offshore Company, BGPO, SAEExploration, Caspian Geo, Kappa Offshore Solution as well. Able to work under pressure and with different people. I am self motivated person. I would like to work not only on vessels but on offshore installations, shipyards repair workshops as well and get more knowledge in different system related to my education.
