Notes

I have more than 10 years of experience in offshore fleet. I have repeatedly performed Towing operations (including ocean towing), Rig Move Operations, Supply of drilling rigs, and have a lot of experience in Anchor Handling Operations. I have worked on projects for Chevron company in Nigeria, «Nord Stream 2», «Arctic Gate» and many others. Worked with Pipe-laying and Cable-laying Vessels. I am considering any suggestions. Please contact me. Best regards, Kocherin Sergei.
