### Notes

Good day. I'm working with different syze and type of LPG vessels with international crew. Many ships of my expirience was younger 2000 year of build . Passed several drydock's and shipyard experience. SIRE / CDI and other inspections as well. Well familiar with Inert Gas (IG) system, Scrubber, NOx cleaning emissions too. According to the tasks set of managment system and company regulations, I strive to achieve the desired result with best opportunity and my quality with community. All documents for a work are in order and I'm ready for eployment. Best regards, Dmitrii Avilov.
