I hereby explicitly consent that my personal data can be captured, processed and stored by the crewing agents and prospective employer as is necessary for the company to offer me employment on board one of their vessels under crewing management. This includes, but is not limited to, sharing my data with owners, charterers, port agents, manning agents, travel agents, marine authorities or other organizations. The prospective employer undertakes to use this information solely in connection with assessing whether to offer me employment, and for no other purpose. In accordance with GDPR, I understand I have rights regarding my data, and can contact the crewing agent at any time to exercise these rights.

I hereby affirm that all the information provided by me in this Form is true and correct to the best of my knowledge.
