PROFILE

Seeking a Deckhand or Deck/Engineer permanent position on a charter or private 25M+ motor/sail vessel. I'm a focused individual with strong attention to detail. I am a humble team player with a goal getting mindset with the aim of moving the organization forward by becoming an asset not liability and very excited about learning, growing and progressing in this vibrant industry. I would like to obtain my AEC2 & Yachtmaster in the near future. I am a humble team player with a goal getting mindset with the aim of moving the organization forward by becoming an asset not liability.
