

Henry Rodríguez Ramos

MASTER MARINER

MARITIME ENGINEER

SPECIALIST IN MARITIME OPERATIONS

 +584123588212

 : henryrodr@gmail.com

About me

"I am a reliable, responsible and dedicated Master Mariner (Captain), have experience in different types of vessels, participating in processes of take over and delivery

I have an extensive background on board different size and type of Tankers (Panamax, Aframax and Suezmax) passing through all deck officer ranks (chief, second and third officer) in charge of coordinating the safe loading, storage and unloading of cargo and maintenance of life saving, firefighting, deck, and lifting equipment as well as vessel exterior using different PMS, also have experience with different types of cargo systems such as FRAMO, steam turbine, stroke and electric pumps, same with bridge equipment (IBS, ECDIS, Paper, etc.). Operation STS, SBM, Multi buoys, bunkering. Experience in Vetting inspections, port state controls, flag administration and class surveys. In the course of my career, I have had the opportunity of being in several times in Dry Dock, working in all ranks including as Technical Superintendent".
