Notes

To whom it may concern. I am writing to express my interest in the position of Captain with your company. I have 12 years of experience, including 3 years as a Captain and 9 years as a Chief Officer on General Cargo and Bulk Carrier vessels under the flags of Malta and Liberia. Throughout my career, I have gained significant experience in navigation, crew management, and ensuring the safety of maritime operations. I hold all necessary certifications. My primary areas of operation have been the Black Sea and the Mediterranean Sea, which has provided me with a deep understanding of navigation specifics, weather conditions, and port infrastructure in these regions. I have experience transporting steel production, grain and fertilizer cargoes. I am well-versed in the loading and unloading operations, securing the cargo, and ballasting the vessel for the safe transport of these types of goods, particularly bulk and hygroscopic fertilizers. My strengths include effective crew leadership, ensuring smooth vessel operations, compliance with international safety standards (SOLAS, MARPOL, ISM/ISPS Code, MLC), and the ability to address any challenging situations that may arise. I am confident that my experience and skills would be an asset to your company. I would welcome the opportunity to discuss my application further in an interview at your convenience. Thank you for considering my candidacy. I look forward to the possibility of working together. Best Regards Volodymyr Yakymenko.
