Professional Summary

A highly experienced and skilled Master Mariner with over a decade of leadership in the maritime industry. Demonstrated expertise in the safe and efficient operation of crude oil tankers, with a strong focus on safety protocols, crew management, and compliance with international maritime regulations. Proven track record in vessel navigation, cargo operations, and emergency response, ensuring the successful completion of numerous international voyages. Committed to continuous learning and professional development in the maritime field.

Key Skills

- **Leadership & Team Management:** Experience in leading large, diverse teams aboard crude oil tankers, fostering a culture of safety and teamwork.
- **Navigation & Vessel Handling:** Proficient in modern navigation systems (ECDIS, Radar), ship maneuvering, and passage planning.
- **Cargo Operations:** Expertise in loading, discharging, and handling crude oil cargo, ensuring compliance with environmental and safety regulations.
- **Regulatory Compliance:** Thorough knowledge of SOLAS, MARPOL, ISM Code, and other maritime regulations.
- **Safety & Risk Management:** Skilled in conducting risk assessments, emergency response drills, and ensuring adherence to safety management systems.

Professional Experience

Master

Eaglestar Shipmanagement, Crude Oil Tanker

Dates of Employment: July 2010 – Present

- Led the safe and efficient operation of large crude oil tankers across international waters.
- Directed all aspects of navigation, cargo operations, and safety management for vessels.
- Conducted risk assessments for complex operations, including simultaneous underwater hull cleaning and bunkering.
- Ensured strict compliance with maritime regulations and company standards, achieving excellent safety records.
- Managed emergency response drills and safety training for crew members, enhancing overall preparedness.

Education

Bachelor's Degree in Maritime Studies

Odessa National Maritime Academy
