## PROFILE

Started as an Oiler (1979-1985) on fishing vessels, advanced to Engine Driver and 2nd Engineer (1986-1998), and served as Chief Engineer (1998-2010) on Indian fishing vessels. Since 2000, I have worked as a 3rd and 2nd engineer on offshore vessels. Completed a Chemical Oil Tanker course.. Skilled in managing Z-peller, CPP vessels, refrigeration, hydraulics, electrical systems, and engines like CAT, Cummins, Wartsila, Yanmar, and Niigata.

A highly experienced Marine Chief Engineer with over 25 years of expertise in overseeing vessel operations, maintenance, and ensuring adherence to international maritime regulations. Skilled in diagnosing and resolving complex issues in marine machinery, with a proven track record of leading engineering teams efficiently in demanding and high-pressure environments. Adept at optimizing vessel performance, ensuring safety standards, and fostering teamwork to achieve operational excellence.
