About you: I AM RUSLAN MIROSHNIK. I BOATSWAIN, CRANE OPERATOR. I live in Ukraine in the city of seaman Odessa.

As you will see from the attached resume. I have 18 years of experience at sea and the skills to interact with different types of people.

What else can I say about myself: I am a very strict boss, hardworking, non-confrontational, proactive and energetic leader. I always listen to the opinion of the boss, try to have an alternative opinion and always want to learn something new for myself. I have a negative attitude towards sailors who want to sit back and have full control over their subordinates. I would like to use my skills and experience, as well as my passion to learn, teach and educate myself. In addition, I would like to work with other professionals to improve their skills.

Thank you and I will be waiting for your reply soon.

We know that our clients choose us for our professionalism. And we are doing our best to justify their trust and exceed their expectations.
