### Notes

I consider myself a responsible and hardworking person, I do sports and tempering, I have good physical health, I was awarded a gold badge for passing the TRP standards. despite my age, I look much younger than my peers. There is an excellent description from the captain from the last ship on which he worked as a boatswain. We are easy to train and I believe that I can handle any job on the ship. I am able to find a common language with the crew members, maintaining a positive climate on board. I have a valid diploma of the captain's watch officer. but I don't have enough practical knowledge, and in the future I plan to take up the position of 3rd assistant captain.
