About you: Highly motivated and experienced **Second Engineer** with over 2 years of experience in maintaining and operation marine propulsion systems and auxiliary equipment on merchant fleet, maintained compliance with international regulations (SOLAS, MARPOL, ISM) and local maritime laws. Received licensed **Chief Engineer Officer** on ships powered by main propulsion machinery of 3000kw or more acc. paragraph 6 of section A-3/2 . Due work at the sea on different type of the vessel, received ability to troubleshoot and resolve mechanical and electrical issues, ensuring the vessel operates safely and efficiently. Always use high standards of safety and compliance with all relevant regulations.
