

To whom it may concern:

Dear Madam / Sir,

I am 35 years old and I would like to take this opportunity to present myself to You and to Your Company.

I have:

- 48 Months of experience as a seaman, working world wide in the capacity as mechanic, Fitter welder and oiler-motorman position
- Engine room watch keeping certificate
- Diploma associate engineering in mechanical
- Jacking experience
- DP experience
- Experience with 2 stroke and 4 stroke engines (Wartsila, MaK, Catapilar)
- Diesel electric propulsion experience (Azimuths Schottel)
- Maintenance experience on crane up to 250 tones
- Very experienced and dedicated ERO with excellent power management experience and knowledge

I am able to:

- Maintain & repair most of technical equipment onboard as cranes, jacking systems + greasing system), jetting systems up to 100 bars, engines, thrusters, boilers, purifiers, pumps, air-condition units, compressors, fresh water generators, osmosis, oily water separators, incinerators, winches, heat exchangers, waste water and sewage plants, different types of firefighting systems, hydraulic & pneumatic units, etc.
- Read all drawings (piping, hydraulic, pneumatic, etc.)
- PLAN & ORGANIZE all maintenance and repairs in engine room and deck equipment
- Work in full cooperation with my superiors and subordinates
- Follow all shipboard, company's, client and international operating procedures

With experience on my previous and current company/vessels I have improved my professional knowledge and skills.

Ever since I have started my career as an motorman/Oiler I've worked with many crewmembers of different nationalities on board, which resulted in great level of communication and cooperation.

I am very communicative and responsible person with: strong professional attitude; ambitious regarding job, duties and job performance; management and motivation skills.

I am placing highest value on the environment and safety.

My knowledge of English language, both verbally and written, is very good,

I assure you that possible supervisors and superiors in your fleet will be more than satisfied with my performance and skills.

In case I will be considered for employment I assure you that your company will get an; Well educated, ambitious, experienced, hardworking and reliable Marine Engineer.

I would appreciate if you would take this application into consideration for future job opportunities onboard your fleet,

I am looking forward to hearing from you.

Sincerely Yours,

Umair Khan

Mechanic / Fitter welder /Motorman/Oiler
