COVER LETTER

Dear Recruiting Team,

I would like to give you a brief overview of my skills, experience and present myself.

Seasoned Second Officer with over nine years of experience in Marine Navigation, motivated and safety focused with experience on many different types of vessels like Heavy Lift Construction, Containers, General cargo and Bulk Carrier vessels.

I consider adaptability, well organization and good technical skills to be my strengths. Maintained effective communication with multicultural crew members and build professional relationship with higher-ranking officers. Kind, sympathetic and quickly adapt to new people and vessels. I am also familiar with new technologies relevant to Company requirement, strictly follow Safety in a good manner.

Managed worldwide paperless navigation using the integrated RADAR-ECDIS system. Requesting permits and installing weekly updates, performing various drills as per matrix.

Controlled Ship position during maneuvering operations, utilized the ABB HMI ICS (Internal Control System) for comprehensive monitoring of all ship parameters. Led multiple safety training and familiarization programs.

Eager to transition into roles such as Second Officer on advanced offshore projects, particularly in drilling or large construction vessels. Well-suited for challenging positions involving modern and sophisticated marine equipment, with a strong background in safety, incident response, and methodical problem-solving.

I am enthusiastic about the prospects of integrating into the vibrant offshore community, bringing not just my technical expertise but also a rich family legacy in the maritime world. It would be a privilege to further discuss how my background and aspirations align with the vision of your organization.

Thank you for considering my application

Yours faithfully,

Second Officer
