Cover Letter

Dear Hiring Manager,

In terms of recent skills that would enable me to excel in this role, I have expertise in various areas such as rigging, lifting, crane operations, lashing /unlashing, and ballast operations. Furthermore, I am highly motivated and sociable, with strong communication skills that ensure I always maintain respectful communication with other crew members. I am also proficient in computer skills, including Excel, Word, email programs.

I am writing to express my interest in the Officer role on your Company. With over 11 contracts, I bring a wealth of experience and a strong track record in audits, including but not limited: MLC, Paris MoU, AMSA, USA coast guard and Indian Pacific PSC. I have extensive experience collaborating with diverse nationalities among the crew. I have extensive experience in shipyard and dry docking , having worked on various projects. This background has allowed me to develop strong leadership skills and exceptional expertise in work planning and execution.

Currently looking for a reliable and professional company that offers a competitive salary and COE for a maximum of four months. I believe my skills, experience, and motivation make me an excellent fit for this role and I look forward to discussing this opportunity further. Thank you for considering my application. I am excited about the possibility of joining your team and contributing to the success of your company.

Sincerely,

Kostiantyn Boldyriev
