Notes

I am a good qualified and experienced OOW with a so good background in maritime operations and navigation. Throughout my career, I have successfully combined technical expertise with practical seafaring skills, demonstrating exceptional proficiency in both navigational and cargo operations. As a duty navigating officer, I have extensive experience in managing navigation equipment, ensuring its proper functioning and maintenance. I am responsible for developing and implementing voyage plans, taking into account all necessary factors for safe and efficient passage. My professional background includes cargo operations with general, bulk, container goods. During my last position, I received two official recommendations from the Masters, highlighting my professional performance and potential for promotion to a higher rank. These appraisals acknowledge my exceptional navigational skills, leadership abilities, and commitment to safety standards. Key Competencies: Proficiency in electronic chart display and information systems (ECDIS). Good knowledge of navigational equipment and systems. Good understanding of international maritime regulations. Experience in voyage planning and route optimization. Effective container handling. Excellent teamwork and leadership skills. High level of responsibility and decision-making abilities. I am committed to maintaining the highest standards of safety and efficiency in all maritime operations, continuously seeking opportunities for professional development and improvement of navigational practices.
