Documents and further information:

My name is Zakir Ahaiev, and I am currently a third-year student at the Lithuanian Maritime Academy, studying at the Faculty of Navigation. I am writing to express my interest in the position of a deck cadet trainee in your company. I believe this internship would be an invaluable opportunity for me to gain practical experience in the maritime industry, complementing the theoretical knowledge I have acquired through textbooks and lectures. I have previous shipboard experience and possess strong organizational, disciplined, and adaptable qualities, which allow me to thrive in new environments and work effectively as part of a team. My English language skills are at an intermediate level, and I am confident in my ability to communicate effectively in both written and spoken English.

In addition, I prioritize maintaining a healthy and fit lifestyle. I regularly attend the gym and swimming pool to stay physically fit, which I believe will help me meet the physical demands of the maritime profession.

I am eager to fully commit to my role and to follow your company's values and culture. I am a hard worker and a quick learner, and I am confident that I can demonstrate these qualities if given the opportunity to join your team. I would be extremely grateful if you would consider me for the Deck Cadet position. I am available for an interview at your convenience and would be happy to discuss how I can contribute to your team.

Thank you for your time and consideration. I look forward to the possibility of working with you.

Sincerely,  
Zakir Ahaiev
