CORE SKILLS

- Cargo Handling and Securing
- Watch Keeping Activities
- Mooring Operation
- Deck Maintenance
- Cargo Crane Operation
- Navigational Support

EXPERIENCE

MV PFL Matai May 2024 – Feb 2025 **Ordinary Seaman – Neptune Pacific Direct Line (IMM)**

- Managed by IMM (Integrated Maritime Management), learning and applying skills that I have honed through the years.
- Learned more navigating skills by frequently steering with a pilot prior departure and arrival
- Safety briefings, equipment checks, and cargo readiness per pre-departure preparations.
- Assisting safety officers with LSA and FFA checks on a regular basis, gaining more knowledge with each officer that I sail with.
- Operation of Deck cranes (3 x 40tonnes), unparking and parking and also lifting of gears.
- Specialize in the greasing of crane wires per PMS (planned maintenance schedule).

MV Southern Pearl Nov 2022 – Aug 2023 **Ordinary Seaman – Neptune Pacific Direct Line**

First contract on a container vessel with mixed crew of over 30 years sea experience. Knowledge gained from them played a crucial part of my character through this contract.

- Punctuality and time management improved drastically through the various trainings onboard.
- Part take in weekly safety drills and monthly safety meetings and understanding the importance of regular drills.
- Assist in stevedoring in the port of Futuna during covid.
- Unparking and parking of ships cranes (2 x 40tonnes).
- Ensure that the cargo plan is followed as per C/O instructions and seeing to the safety of the stevedores during cargo operation.
- Develop the skill and knowledge of proper crane wire greasing.
- Able to follow PMS as per C/O and Bosun instructions.
- Assist bosun with keeping records of cargo securing gears, paints and maintenance tools.
- Able to steer with a pilot prior arrival and departure.
- Take Compass Errors and sights with the use of azimuth mirrors and sextants.

MT Rodds Bay Mar 2022 – Nov 2022
Deck Watch Rating – Fiji Searoad Shipping

- Carry out daily maintenance on tug and barge.
- Assist with port watch and anchor watch duties.
- Part take in mooring operations for bringing the barge alongside.
- Assist in splicing of mooring ropes as per instructions of the master.
- Leading the forward mooring party during berthing operations.

MV Spirit of Love Jan 2018 – Mar 2022
MV Spirit of Altruism
Deck Watch Rating – Patterson Brothers Shipping co. Ltd.

- Participate in watch keeping duties at port and at anchorage which allows the vessel to stay in a specific area.
- Handle and assist in mooring and anchor operations.
- Perform repairs and greasing of capstans and winches.
- Carry out regular maintenance on ships structures and accommodation areas.
- Assist passengers whilst they embark on the vessel, implementing safety procedures incase of an emergency and instructions on how to don life jackets to the passengers.
- Carry out safety rounds while the vessel is underway and report to the bridge hourly.
- Perform the duties of a Quarter Master whilst approaching berth.
- Ensure the safety of passengers and uphold the law that it is paramount.
- Ensure proper PPE is donned at all times.
- See to that all vehicles are lashed and sea ready.

MV Spirit of Love Feb 2015 – Aug 2017
MV Spirit of Altruism
Deck Cadet – Patterson Brothers Shipping co. Ltd.

- Daily cleaning of the passenger lounge area after a voyage.
- Assist the Master with paperwork and documentation.
- Assist 2/O in weekly LSA and FFA checks and maintenance.
- Carry out passenger lounge duties ensuring that their safety is upheld.
- Steering duties as per the C/O plan.
- Carry out daily soundings and record to be kept in sounding book.
- Assist C/O with ballasting operations and mooring operations.
- Assist with chart corrections.
- Wearing proper PPE and display a high level of situation awareness at all times.
- Anchor watch duties – log the weather and evidence of changes in weather and ships position to be reported to the Master or OOW.
- Ensure that all cargo is stowed away efficiently and well kept.
- Fire and safety rounds carried out every hour and reported to the OOW.
