Additional information

I have experience in offshore vessels (AHTS, OSV). I specialize in fixing engines and all machinery on vessel, solving technical problems, and leading teams.

Below are my key skills:

- I've worked with diesel engines (Bergen, MAN, MAK, Scania, Mitsubishi, Yanmar, Caterpillar, Cummins), operated lathe machines, and done welding.
- I've brought vessels back to life after cold lay-ups and completed major repairs on mechanical equipment.
- Quickly find and fix mechanical issues, even in emergencies.
- Adept at troubleshooting mechanical failures, optimizing workflows, and leading teams under pressure.
- I love my job deeply and care about every detail.
- Fluent in English
