Notes

Dear Sir/Madam, Good day to All, I'm Capt. Sergey Matveev looking for vacancy in your good tanker's company in urgent manner for June 2025. I heard from my friends that all vessels in the fleet have age not more than 15 years old and have Free Internet on board, also very good management with a good principals connected spares supply and care about mariners. At present time I'm working in the MTM Ship Management Pte. Ltd., Singapore. The main reason my wishes to change of the company is the prospect of working on more or less new ships with a guaranteed schedule of work and rest, and more biggest DWT tankers. Also to be sure that after the contract I will not be kept on vacation for more than 4 months, because I'm paying off a house loan. I would like to stay at one company and serve in it for a long time until retirement

without changing more of the company. My seagoing time in Master's rank reach practically 50.34 months (4.2 years seagoing time in rank), and I hope this is matrix time will be enough for join to your good company. I already sent resume on your website as required. I am ready to join one of your good vessels from 09th of June 2025. I'll appreciate with your positive reply. Thanks beforehand Best Regards Capt. Sergey Matveev Mobile: +79181536823 Skype: Sergey.Matveev74 Email: matvey-74@mail.ru
