PROFILE

Fitter/Welder experience in MIG, TIG, and Stick welding, along with a solid background in blueprint reading and metal fabrication, I am confident in my ability to contribute effectively to your team.

In my most recent role at [Your Previous Company], I was responsible for fabricating and welding steel components for industrial and structural projects. I consistently met tight deadlines while maintaining a high standard of quality and safety. I take pride in my attention to detail, ability to read and follow technical drawings, and commitment to producing strong, clean welds.
