COVER LETTER

Dear Recruiting Team,

I would like to give you a brief overview of my skills, experience and present myself.

Seasoned AB/RIGGER with over thirteen years of experience in Offshore, Specializing in Offshore operations, including DSV, OSCV, SSDR, Drillship, PSV, OSV, Accommodation Barges, TUG, Construction vessel,Seismic,Semi Sub, Reefer and Bulk Carriers. Expert in a broad range of Deck equipment operation, encompassing of Mooring Winches, Cranes, Anchor Windlass, Gangways, maintenance as per manufacture requirements, modern control and automation systems, and a commitment to operational excellence and international marine standards. Proficient in Radio Operations smooth communication among supply, offshore activities of the vessels. Maintained effective communication with multicultural crew members and built professional relationship with higher-ranking officers.

My hands-on expertise with SSDR, Drillship combined with my proactive approach to embracing offshore technologies, make me adaptable and ready to tackle challenges head-on. I have consistently demonstrated my commitment to excellence, as evidenced by the commendations and great performance I have received in every contract.

Eager to transition into roles such as RIGGER on advanced offshore projects, particularly in drilling platforms or large construction vessels. Well-suited for challenging positions involving modern and sophisticated marine equipment, with a strong background in safety, incident response, and methodical problem-solving.

I am enthusiastic about the prospects of integrating into the vibrant offshore community, bringing not just my technical expertise but also a rich family legacy in the maritime world. It would be a

privilege to further discuss how my background and aspirations align with the vision of your organization.

Thank you for considering my application

Yours faithfully,

Maksym Glumov
