

SOBRE MÍ

Senior Cook with 25 years of experience in the maritime industry (warships, cargo, oil and gas, yachts, tugboats, tuna vessels), rotating through all positions in the catering department. I am seeking a position as a Head Chef on offshore platforms or as a Yacht Chef. Immediate availability in Colombia with documentation, including medical and boarding certificates, and up-to-date AstraZeneca vaccinations. Experience in global energy projects and knowledge of European, Asian, Indian, Latin, and Arab culinary cultures, allowing for the development of menus tailored to diverse crews. I am a hardworking, positive, and proactive crew member, able to integrate easily into any team. Open to permanent or temporary positions.
