Documents and further information:

Good day.

My name is Sergii Movchan, and I am a qualified Second Engineer with extensive experience working on LPG carriers. Over the past 6 years, I have successfully ensured the seamless operation of machinery and compliance with all technical standards onboard.

I possess in-depth knowledge of ship engine systems, safe operation practices, and the maintenance of specialized equipment for liquefied gas transportation. My expertise in diagnosing and resolving complex technical issues has helped prevent emergencies and improve vessel reliability. Additionally, I am accustomed to working in multinational crews and maintaining high professional standards.

My goal is to join a reputable shipping company where I can contribute my skills and experience to enhance operational efficiency and safety. I would be happy to discuss how I can be an asset to your team.

Thank you for your time and consideration.

Best regards,
Sergii Movchan
