Notes

Good day! I would like to introduce myself as well experienced chief engineer working on oil and chemical tankers. Describing myself I'm positive and well educated person interested in continuous self-development, learning and personal growth. I'm always seeking opportunities to apply my knowledge and skills. I respect environments with encouraging innovations, collaboration and I like to contribute myself to team success and drive positive outcomes. Moreover, I like to meet and communicate with new people, to share social skills and entertainment. My greater strength is ability to stay calm and not to give in to panic in stressful situations when cold mind is paramount. I'm able to adapt easy when situation is changing fast. My colleagues are highlighting always my resilience and leadership.
