Notes

My name is Aleksei Zboinov, and I am a Master with extensive and stable sea service experience on container vessels. I am eager to leverage my comprehensive knowledge and proven leadership skills on larger container ships, specifically those exceeding 4,000 TEUs, where I can fully realize my potential and contribute to operational excellence. As a highly professional and well-educated Master, I bring a wealth of experience, dedication, and a strong commitment to the safe, efficient, and successful operation of every vessel I command. My goal-oriented and confident leadership style, combined with excellent communication skills, enables me to effectively manage crews and maintain seamless coordination with Superintendents, line managers, and Safety and Security departments. I take pride in proactively engaging with port agents and local authorities to protect the company's interests and ensure full compliance and smooth operations at all times. I am known for motivating and monitoring crew performance to uphold the highest company standards consistently. My proficiency in English, strengthened through regular interaction with native speakers, ensures clear and effective communication at all levels. Personally, I am positive, dedicated, accurate, responsible, reliable, accountable, and loyal—qualities that I bring to every role and that significantly contribute to the company's ongoing success. By selecting me as Captain, you will be making a strategic choice that guarantees professionalism, reliability, and excellence in vessel management. My proven track record of leadership and operational success will not only enhance your company's reputation but also simplify your management responsibilities by ensuring a disciplined, motivated, and high-performing

crew. I look forward to the opportunity to discuss how my background and aspirations align with your company's goals.
Sincerely, Aleksei Zboinov.
