I'm Nikita Kabernyk, as an experienced maritime Second Officer with over a decade of hands-on work on Bridge operations, I am excited to apply for a Second Officer, Safety Officer, JDPO position. With over 6 years of experience of Navigation operations I had the privilege of serving international crews of more than 25 people, delivering not only high-quality, maritime skills, but also maintaining strict safety, modern control, and operation standards under maritime regulations, specializing in LNG Powered Vessels. Completed IGF Basic training, gained excellent experience with liquified natural gas.

My journey as a Navigating Officer has been marked by continuous learning, growth, and a commitment to excellence.

🌐 **Global Perspective:** Based in Moldova Chisinau, and originally from Ukraine, I've worked with international teams and adapted to diverse challenges and environments.

👥 **Team Collaboration:** Effective communication and collaboration with cross-functional teams have been key to my success. I believe in fostering a culture of safety, teamwork, and continuous learning

🔧 **Safety Expertise:** My hands-on experience includes operation and maintaining complex Fire equipment's such as CO2 Systems, Portable Fire Extinguishers, Fire Man outfits, and Fire Hydrants, Lifesaving Equipment. I've honed my skills in mechanical troubleshooting, repair, and safety compliance to ensure optimal Vessel performance.

🚢 **Maritime Experience:** Having worked on various vessels with diverse challenges, I've developed the ability to troubleshoot non-standard situations and handle emergencies. My experience extends to Bridge/Deck equipment operation and maintenance.

🔄 **Transition to Offshore:** I am actively seeking opportunities to utilize my extensive maritime experience in the offshore sector. I am aiming for a position that recognizes me as a valuable asset for roles in Construction, Heavy Lift, Ferry, RO-PAX.

📈 **Continuous Growth:** My professional development has been marked by promotions and continuous skill-building. I've demonstrated resilience, adaptability, and a strong sense of responsibility.

I'm excited about the possibility of bringing my technical prowess, leadership skills, and passion for the maritime industry to new challenges in the offshore sector. Feel free to connect or reach out to me.
