# VLADYSLAV AIDIN

## 3rd Officer / JDPO

I am writing to express my keen interest in joining your DP2 vessel to gain active Dynamic Positioning (DP) sea time as part of the Nautical Institute certifications. I am eager to contribute as a motivated and safety-conscious team member while gaining valuable DP watchkeeping experience. I am available immediately and willing to travel as required.

## Cover Letter

Dear Hiring Manager

I am a certified Officer of the Watch (Unlimited) with hands-on experience aboard both container and general cargo vessels, having served in the position of Third Officer. I have successfully completed the Basic Dynamic Positioning (Induction) Course and am now eager to continue developing my skills in a DP operational environment.

I bring strong navigational and bridge watchkeeping capabilities, a safety-focused work ethic, and a strong motivation to learn and contribute to the offshore DP sector. I am fully certified under STCW, possess a valid medical certificate, and am ready for immediate deployment.

Thank you for considering my application. I would welcome the opportunity to be part of your team and further my career within the DP discipline. I look forward to the possibility of contributing to your operations.

Sincerely,

*Vladyslav Aidin*
