| Notes | | | | | |
| <p>The working diploma of an engineer is overdue, but I am ready to restore it at any moment. I did not work in the fleet from 2013 to 2018. I worked on a small fleet with a carrying capacity of 5000 tons. I have a great desire to get a job on a large cargo ship as a starter motorman and grow to become an engineer.</p> | | | | | |
