### Notes

Well-organized, hard worker, communicable person, able to work in a team environment. Have good manners and high responsibility for work. All recommendations, evaluations from vessels and scanned copies of the documents are available upon request. I am 29 y.o, from Odessa, Ukraine. I have 9 years experience at sea, 6 years in an engineer officer rank (since 2017 till now in offshore fleet). I know all my job responsibilities according to my rank and always perform my duties on a high level. While working at sea I realized that I would like to build a more successful career in this field. Considering my practical experience and interest in this profession, I will try to acquire additional and necessary knowledge in this field and in a few years. I worked on different types of vessels: container, heavy-lift, offshore-(DP2) General Cargo Supply, CTV, AHT, PSV and always with mixed crew: from England, Germany, Portugal, Poland, Holland, Philippines, Romania etc. and didn't have any problems in communication. Have experience with following engine's type: M/E - MAK, Wartsila Sulzer RT flex, CAT. A/E - MAK, CAT, Volvo Penta Fuel - HFO MGO Deck Cranes Liebherr, NMF (50-400 t) Schottel Azimuth Hatlapa towing winches. I am looking for stable company and permanent employment with stable rotation. If you have vacancy for me I would consider it with pleasure. I hope for good cooperation. Best Regards. 3rd engineer Khorev Yevhen
