HOW I WORK ONBOARD YOUR VESSEL

- I always read. I am interested in the Autonomous Shipping Industry, Stock Markets, History, Tech and many others.
- I always lift. I have a strong working out discipline and I always keep myself in shape and ready at all times.
- I always consider safety first. I follow the recent MSC circulars and integrate them to my working discipline.
- I always apply what I learned from my Project Management skills in my daily tasks onboard a vessel. I applied Lean & Six Sigma principles in order to carry out my tasks in the most efficient way.
