

CURRICULUM VITAE:

Name: Anton Simonov

DOB: 31st of Dec 1982

Email: simovantoncapt@gmail.com

2021–Present | Rawabi Vallianz KSA, I served as a Captain on the largest accommodation vessels such as Rawabi 501, Rawabi 502 and Rawabi 504 on HASBAH and KARAN Oil Fields. Provided uninterrupted operation and support for ARAMCO Users on board with all ship's systems including 100MT offshore crane. An integral part of work was to ensure the safe and efficient operation of field Service Team.

My role encompasses strategic planning, operational execution, and continuous improvement of marine operations to guarantee safety, efficiency, and regulatory adherence across all assets.

Key Responsibilities & Achievements:

1. Marine Operations & Compliance Management

Leadership & Strategy: Direct all marine department functions, including vessel operations, crew management, and offshore logistics, ensuring alignment with ARAMCO's Best Maritime Practices (BMP) and BMVSR (Barge Management and Vessel Safety Requirements).

Regulatory Oversight: Enforce compliance with IMO, SOLAS, MARPOL, and ISPS Code regulations, conducting quarterly audits to identify and rectify non-conformities.

2. Inspection & Maintenance Coordination

Inspection Planning: Orchestrate out-of-Kingdom (OOK) and in-Kingdom pre-hire inspections for vessels, ensuring 100% readiness for ARAMCO audits.

Close-Out Management: Implement a tracking system for inspection findings, reducing close-out delays by 30% through rigorous follow-ups and corrective action plans.

Asset Reliability: Conduct monthly condition assessments of critical marine assets, collaborating with technical teams to prioritize maintenance and extend equipment lifespan.

3. Fleet Support & Technical Leadership

Day-to-Day Operations: Provide 24/7 operational support to Client personnel, resolving technical, logistical, and safety issues to minimize downtime.

Crew Training & Development: Conduct weekly safety drills and competency assessments, improving crew preparedness for emergency scenarios and complex maneuvers.

4. Documentation & Continuous Improvement

Record-Keeping: Maintain a centralized database for inspection reports, close-outs, and statistical analyses, ensuring traceability for audits and performance reviews.

Process Optimization: Initiated a digital reporting system that streamlined documentation workflows, cutting administrative time by 20%.

Project Experience

Projects in the Pacific Ocean, North Sea, Mediterranean Sea, and Atlantic Ocean

Vessel Management & Certification

Managed 5-year drydocking operations, including full certification, Failure Mode and Effects Analysis (FMEA), and annual class inspections.

Advised shipowners on charter requirements ARAMCO, ensuring full compliance.

Achieved ARAMCO on-hire inspection clearance within a single day, demonstrating exceptional preparation and efficiency.

2019–Master SDPO onboard of DP2/MPSV Posh Pintail at ARABIA Oil Field, KSA .

I was responsible for 24/7 support for ARAMCO users on board. Safety/ Security/ VTS on Field/ Accommodation/VSL - Platform operations with 150MT Offshore crane
