Mobile: +359 888 662780 Dear Ladies and Gentlemen, I am writing to express my interest in employment opportunities as Master on board cargo vessels, preferably bulk carriers or general cargo ships. With more than four decades of continuous service at sea, I believe my extensive professional background and leadership experience make me a strong candidate for your fleet. I have been at sea since 1982 and hold an unlimited Master's Certificate of Competency since 1994. I took my first command in 1996 and have since completed over 40 contracts as Master. During the past ten years, I have mainly sailed on bulk carriers (Handy, Supramax, Kamsarmax, Post-Supramax). My recent employment includes service with Nordic Hamburg Shipmanagement (MV Amelie, MV Nordic Yarra, MV Ingvar Selmer, MV Aegir Selmer) and Blumenthal (MV Patria, temporary assignment). I also contributed to the Grain Corridor operations for Ukraine. Throughout my career, I have commanded various types and sizes of vessels: • Bulk carriers – Handy, Supramax (52,000 DWT), Kamsarmax (82,000 DWT), Post-Supramax (64,000 DWT) • General cargo, MPP and container vessels (2 contracts as C/O, 1 as Master) • Ro-Ro Passenger and High-Speed Craft (as C/O) • Sailing tall ship "Kaliakra" (1996–1998, as Master; winner of Cutty Sark Tall Ship Races 1996) Key skills and expertise: • Bulk and general cargo handling, heavy lift, project cargo, stowage, lashing, securing • Proficient in stability and cargo securing calculations (computer programs and manual) • Strong knowledge of IMSBC, IMDG, BLU Codes • Extensive experience with audits, inspections, surveys (including newbuilding delivery) • ISM & ISPS Codes, ballast water management, PMS (AMOS, MESPAS, Cloud Ship Manager, Blue Fleet CSM, TITAN/AVEC) • Mixed crew management with international teams (Indian, Indonesian, Filipino, Turkish, East European, etc.) • Computer literacy (currently upgrading skills with IT courses) Additional qualifications: • Licensed Class, Flag and Statutory Surveyor (London Maritime Institute) • Member of the International Association of Maritime Professionals and Surveyors • Strong academic foundation: o Naval Academy "N. Vaptsarov", Varna – MSc in Navigation (1982) o UNSS Sofia – MSc in Transport Economics (1991) o London Maritime Institute – Class & Flag Surveying Diploma Languages: English & Russian (very good), German & Greek (good), Polish (working knowledge), Turkish (beginner). I am also open to considering related shore-based roles such as Supercargo, Marine Superintendent, or Port Captain. Salary is negotiable in line with your wage scale. I am available to join on short notice (one week). I would be pleased to discuss further details in an interview or by visiting your office if required. Thank you for considering my application. I look forward to your response. Best regards, Capt. Todor Todorov Mobile: +359 888 662780
