**About Me**

Since 2008 I have been working as a captain on container ships and multi-purpose vessels. Total work experience at sea is 37 years. I worked in my last company, Pacifik Internation Line (Singspore), for more than 10 years. I have experience in mooring without a pilot and tugs (but with the help of a bow thruster), transporting all types of cargo, loading heavy and non-standard cargo with ship cranes. Experience in all regions of the world's oceans.
