Pfizer-BioNTech**About Me**

My name is Mikheil Khudoyan, a Master Mariner with over two years of command experience on Aframax tankers and over a decade of professional seafaring background. I am writing to express my sincere interest in joining the Tanker fleet as a Master. Having served on a wide range of oil tankers in international waters, I possess solid experience in navigational leadership, cargo operations (including STS), compliance with MARPOL/ISM/ISPS standards, and crew management. I also hold a valid Certificate of Competency (Master), all STCW-compliant endorsements, and have completed advanced tanker safety training. My professional approach is rooted in safety, discipline, and efficient voyage execution. I am available for employment and ready to provide any additional documentation or references upon request.
