Resume Summary

I graduated from Tourism and Hotel Management. I got education for three years at this section but education language was German and English during first year and other remain years was in English. After that I got education for 4 years and graduated from Business Management at Anadolu University. In the same time, I have got education a year regarding with Foreign Trade and got a certificate. I have experience of Tourism & Hotel Management for 3 years. I attended to the course of Maritme Business and Transportation of Petroleum, Chemical and Vegetable oil in 2006 November.

I have also worked for six years at the import & export department. While the project ships of building at Ursa Maritime A.S, KAM Maritime A.S, FORS Maritime A.S, BONSAL Maritime A.S. These companies were belong to the same owner. After that, the whole Maritime sector had experienced a solid crisis in 2009-2011 – Turkey. Therefore, my company had transferred the ships which their complated of building and thus I had to work at purchasing department for four years at the same companies. I was responsible for four ships at purchasing department. After a while, I started to work at Transal Maritime A.S in 2015, I worked at the same position for three years and seven months as of purchasing Assistant Manager. And I was reponsible for purchasing of twelve ships' s provisions, all the technical equipments (consumables and spare parts), engine room, lub oils and all the chemicals. Experienced to the INTERNATIONAL MARINE PURCHASING ASSOCIATON and I have many contacts in Australia, Europe, Far East, Middle East and America and all the seas of Turkey. I can deliver easily all the equipments to the vessels without any issue.
