Driving license :

Profile: Work for few years in multinational environment. For 2009-2011 years work offshore based in motorman position on vessels under repair. Main responsibility was to keep watch on repair vessels and maintain safe operation during night and day time. Later joined world famous company Schlumberger(Caspian Geophysical/Western Geco) , Caspian Geo. Able to work under pressure and with different people. I am self motivated person. I would like to work not only on vessels but on offshore installations, shipyards repair workshops as well and get more knowledge in different system related to my education.
